---

Bidders will please note that I have discontinued the 5 per cent. buying commission, enabling them to add that much to their offers.

Also notice that the priced catalogs are now 50 cents instead of 40 cents, and they are well worth it.

### *Terms of Sale.*

1. All bids to be by the lot, irrespective of the number of pieces in a lot. Bids below \$1. must be in multiples of 5c, and above \$1, multiples of 10c. A bid of 67c will be construed as 65c, and a bid of \$1.83 as \$1.80, etc.

Auction sales are spot cash and no time allowances or credit can be permitted under any circumstances, the owner of the coins expecting prompt payment. Strangers must send satisfactory references.

3. Bids are numberd and tabulated in their order of receipt. If two or more bids on any certain lot are alike, the one first receivd gets the lot. If two or more unlimited bids on any certain lot are receivd, the first one in gets the lot at a slight advance over the highest bid.

4. Payment should be made promptly by cash, money order or draft on New York or Chicago. All personal checks from out of town are subject to 10c exchange, and this amount will be deducted from such remittances. If a receipt is desired, a stamp, address envelope should be enclosed.

6. It is understood that I purchase for you as your agent and execute your bids, below the limit price you name, if possible. I understand fully that the amount you name on each lot is the highest price you are willing to pay, and that I am to buy it at as much less as the next highest mail bid or those present at the sale will allow.

7. Copies of this catalog with complete selling prices may be obtained after the sale upon payment of **50 Cents**, money with order.
